LAST CALL!
SENSATIONAL IRIS BARGAINS FROM MY WORLD FAMOUS COLLECTION

Thousands of my customers have responded to my announcement of extraordinary values made possible by my re-arrangement program. I AM REPEATING THIS OFFER FOR THE LAST TIME THIS SEASON. In fact it may be many years before conditions will again permit me to duplicate the wonderful values I am offering in this last call of the season.

The plants I am offering here are exactly the same varieties and quality of stock as I am replanting in my own world famous Exhibition and Test Gardens for next year's showing. They are all large, healthy, heavily rooted, flowering size plants.

25 SUMMER BLOOMING JAPANESE IRIS FOR \$3.00

If I had to choose just one group of Iris it would be the Japanese Iris, because of their great size and beauty. They come at a time when flowers in the garden are scarce. Into this collection I am putting giant singles and doubles, mottled, striped and blended effects, soft pastel colors and gorgeously brilliant tones. SOME ARE AS LARGE AS A DINNER PLATE. Others are now offered for the first time in a low-priced collection. This is the finest unlabeled collection of Japanese Iris that I have ever offered.

25 WORLD'S FINEST SIBERIAN IRIS FOR \$3.00

This is the very finest collection of Siberian Iris obtainable anywhere in the world at any price. I will include several varieties that recently sold at \$5.00 to \$10.00 a plant. They are all prodigious bloomers, one plant soon producing fifty or more flowering stalks. They make fine cut flowers, are excellent for naturalizing and of the easiest culture. Unlabeled.

"GOOD-WILL COLLECTION"
25 TALL BEARDED IRIS FOR \$2.50

A delightful surprise awaits you in this collection. Every plant is a different variety. I am including many of the newer and rarer varieties, such as red and pink tones, bronze shades and blends, also some of the finest blues, lavenders, and violet selfs and bi-colors, unlabeled.

CLOSE-OUT BARGAINS IN FINEST HOLLAND GROWN TULIPS
A GARDEN-FULL OF BIG BEAUTIFUL TULIPS, 50 TOP-SIZE BULBS FOR \$2.00

This is a DeLuxe Collection of the finest Holland Grown Tulips. Because the bulbs are extra large, the flowers will be of immense size. Never before have top-size bulbs of such choice varieties been offered in a collection at this unheard-of bargain price.

This collection will contain some of the very finest Giant Darwin Tulips; the Artistic Rembrandt Tulips, with intriguing pencilled and feathered petals; Breeder Tulips, with rich metallic tones; Parrot Tulips, also Cottage Tulips, that produce large flowers in vivid colors, as well as soft pastel shades; and the new Lily-Flowered Tulips. Only at the end of the season could I offer this comprehensive collection of rare Tulips at this extremely low price of fifty for \$2.00. All kinds mixed together, unlabeled.

"GOLDEN GLEAM" COLLECTION OF DAFFODILS, NARCISSUS, JONQUILS, ETC.
25 TOP SIZE BULBS FOR \$2.00; 50 FOR \$3.50; 100 FOR \$6.00

This is a well-balanced collection, containing many of the finest varieties of Yellow Trumpet Daffodils, Bi-Color Trumpet Daffodils, Barri Narcissus, Poets Narcissus, Leedsii types, Jonquils, Jonquil Hybrids, etc., all mixed together. Nothing like this collection for early Spring flowers in the garden, and for cut flowers.

ALL OF THESE COLLECTIONS CAN BE PLANTED UNTIL THE GROUND FREEZES, BUT PLACE YOUR ORDER AT ONCE, AS THEY WILL NOT LAST LONG.
